

# Gritty-Orange

**Part No: 8320625**

Gritty- Orange is our natural citrus hand cleaner with pumice to help clean and safely remove grease, oil, paint, ink, carbon and more quickly. This product is formulated with a natural citrus-based solvent and is petroleum free. Gritty- Orange has a refreshing orange scent and may be used without water.

# Gritty

**Part No: 8320625**

Gritty effectively removes all types of soils with a blend of natural citrus solvent and surfactants. It is enhanced with moisturizing Aloe and nourishing Vitamin E to condition skin, and plastic scrubbers which rinse easily and won't clog drains. This product may be used without water and has a Citrus Spice fragrance.

The Gritty dispensing system replaces traditional cabinets by utilizing time-tested sealed bag-in-box dispensing technology in a unique “bag-in-bottle” cartridge and durable dispenser combination. The “bottle” is an attractive smoke colored design that ensures the maximum amount of product is stored in the least amount of space. To conserve additional space, the dispensing tube is shorter and larger in diameter. The bags are sealed in the PVC “bottle” through a state of the art welding process that creates the completely waterproof cartridge. The cartridge is easily inserted into the dispenser and locks into place.

Features	Benefits
Space saving large capacity	Greater capacity means fewer changeouts
Ultimate view window created by the unique bag-in-bottle design	Soap level is easily inspected without spending time opening cabinets
Durable construction	Both the dispenser and cartridge are built to perform in all types of environments
Sealed bag of skin care product is “suspended” inside the bottle	Suspending the bag improves soap evacuation and reduces waste
Time-tested dispensing technology	Utilizing established dispensing technology eliminates potential performance issues
Simple loading	Simple loading saves time
Completely waterproof	Perfect dispensing option for high moisture environments like showers
Greater capacity means fewer change outs	Appearance is refreshed each time the
